### **Testing the Solution**

1. Navigate to the Meta Quest browser on the Meta Quest Headsets and type in the AR Experience link above
2. On clicking the link, the following screen will show up:

3. On the menu displayed on the right side of the screen, click on the third one from the top with an icon resembling VR headsets, it represents the link to the experience.
4. While in the experience, you can move around until you find a hotspot (blue dot with a white circle around it). Click on it to direct you to the next room.
5. When done with the experience, click on the "Exit VR" button on the floating menu bar to direct you out of the experience.
